

AI Usage Log

Used by	Purpose	Remark
Panom Michael	Spelling, grammar, and punctuation check for “Design rationale and justification” document.	I wrote everything by myself, I only used grammarly to proofread.
Natnael Eticha	Spelling and grammar check for “Sql to Json mapping Document”.	Used grammarly to proofread
Natnael Eticha	Format our original 2-space formatted json files to a python convenient 4-space format.	For formatting purposes not logic.
Success Ituma	Sql script syntax verification.	Got some help in the sql syntax from gemini when I searched for it on google.
